

WE ARE MUCH OBLIGED FOR YOUR REGARD
AND THANKS FOR YOUR PATRONAGE

Concentrated from precious
black sea-cucumber,
'rering: Kuronamaco Beauty Series',
prolong your youth and beauty.

All the creatures and lives on the planet originally derived from the ocean. Still, our daily life is benefited from its plentiful resources. Living by the coast, the fishermen at Omura Bay Nagasaki have been laboring for generations with great experience. And yet we unexpectedly learned from them that there is magnificent skin-care function in the local specialty – Black Sea Cucumber. After four years of technological research cooperated with reputable labs and institutes, we are presenting a unique and unprecedented product 'rering: Kuronamaco Beauty Series', a major innovation enriching with extreme concentrated nutrition of sea cucumber.

By the ocean's power of life, regaining a healthy skin and achieving a long-time dream for women to delay aging and being forever young.

Skin care

Soap

M 110g
S 50g

STEP1 **Cleansing** + STEP2 **Moisturizing** + STEP3 **Nourishing**

● The key is to use Abundant Foam covering the entire face, then gently massage!

How to Use please take the Cleansing Gel as the first step to remove the makeup

- wrapping the soap in a wet foaming net, rubbing the net by clean hands to obtain palm-full dense foam
- applying the bouncy foam on the entire face, gently massaging and cleaning every spot on face
- then removing the foam with cold or warm water, and carefully washing the easy-missed forehead hairline and facial contour
- gently pressing the towel on skin to remove water

Skin care

KB cleansing gel

115g

STEP1 **Cleansing** + STEP2 **Moisturizing** + STEP3 **Nourishing**

● The best timing to wash it clean is when the gel becoming thin from the thickness!

How to Use

- taking proper amount of gel (pressing the pump 2-3 times) applied on unwetted face (wet hand and face is OK as well)
- gently massaging the face with fingertips until the makeup floating on surface and the gel becoming thinness from the thickness, paying extra attention on the spots where easy to have residues from heavy makeup, like around eyes, mouth and wing of nose
- then removing the gel with cold or warm water, and carefully washing the easy-missed forehead hairline and facial contour
- suggest to use soap for double cleaning after the cleansing gel, thoroughly removing the residues and keeping face moisturizing without tightness

Skin care

KB moisture lotion

75ml

STEP1 **Cleansing** + STEP2 **Moisturizing** + STEP3 **Nourishing**

● Provide extra care on the dry and rough parts!

How to Use

- pouring out coin-size lotion on palm or cotton pad, evenly patting on the entire face
- the key is to gently pat the face from the downside to upside to prevent droopy skin
- giving double doses and care on the obvious dry or rough spot, then press the face slightly to make the moisture close affinity with the skin
- neck and neck contour also needed special care, finally wrapping the entire face with warm hands to help the nutrient getting permeating

Skin care

KB cream

25g

STEP1 **Cleansing** + STEP2 **Moisturizing** + STEP3 **Nourishing**

● Recommend to apply extra amount on the easy-dried parts, like around the eyes and mouth!

How to Use

- dipping 1-2 pearl-size of cream, evenly spread on the entire face
- the key is to be very gentle and gliding-like on the face
- re-apply as needed on the particularly vulnerable and easy-dried parts, like around the eyes and mouth
- finally wrapping the entire face with warm hands, let the temperature help the nourishing ingredient better absorbed

Hair care

KB shampoo

200g

STEP1 **Cleansing** + STEP2 **Nourishing**

● Rubbing the scalp with Finger Pad instead of the pointy finger nails!

How to Use

- soaking the hair with warm water
- pouring out the shampoo on the palm first, rubbing till obtained rich and dense foam, then applying the foam to the hair and scalp
- gently cleaning and massaging the scalp with finger pad in the "Z" shape, especially pay attention not using the pointy finger nails and not with force
- washing out the foams with warm water, particularly caring on the easily missed sections, like the back of the head and hairline on forehead and nape
- slightly squeeze the water from the hair, and then spread the hair conditioner
- after minutes of sorption, rinsing the hair thoroughly again
